

A prayer for the homeschool mom

~ when I need to persevere ~

Thank you for this day and that Your mercies are new every morning. I thank you for the privilege of educating my children. It is a high calling and I take my vocation seriously. But help me not to take myself too seriously; keep my attitude joyful and light-hearted.

Help me to be slow to speak criticism and quick to offer smiles and hugs. Help me to notice improvement, however small, and tell my children, “well done” often.

Amen

but a crushed spirit dries up the
bones.”
